**Suspensions (2 bills)**

1. [H.Res. 49](#) - Providing Capitol-flown flags for recipients of the Medal of Honor (Rep. Latham – House Administration)
2. [H.R. 366](#) - To provide for an additional temporary extension of programs under the Small Business Act and the Small Business Investment Act of 1958 (Rep Graves (MO) – Small Business)

**[H.Res. 38](#) – Republican Budget-less Resolution (Rep. Dreier - Rules) (1 hour of debate).**

H.Res. 38 instructs the Chairman of the Committee on the Budget to include in the Congressional Record an allocation under section 302(a) for the Committee on Appropriations for the remainder of fiscal year 2011 that assumes 'non-security' spending at fiscal year 2008 levels or less.

The resolution does not define 'non-security', nor does it include any number or specified allocation. This vague text ignores GOP promises for greater transparency by hiding the actual amount of spending in the legislation. It also allows one Member to set spending levels for the rest of the fiscal year, without a vote in the full House. **Members are urged to vote no on the Republican 'Budget-less' Resolution.**

**The Daily Quote**

"Aside from last week's symbolic vote on repeal of the health care law — a bill even Republicans acknowledge has no chance of becoming law — the schedule has been limited to minor spending cuts such as a federal printing reduction bill and broader resolutions tasking committees with beginning work on more substantive measures. Although leaders have been pressed to lay out specific spending cuts and other budget measures they will pursue, they have largely avoided such pronouncements."
