The Daily Quote

"I've been a Republican all my life, when I served in the Illinois legislature, when I worked for members of Congress and when I served in Congress... For those reasons and others, most people wouldn't expect me to be an advocate for comprehensive health care reform. But the truth is, I believe there is no bigger issue to solve and no better chance to solve it than now. If I were still a member of Congress, I would proudly vote for the bill that President Barack Obama is championing and I would urge my colleagues to do the same, not because I don't believe in fiscal discipline, but because I do..."

- Ray LaHood, Secretary of Transportation and Former Republican Congressman from Illinois, 3/14/2010
