- * **Possible Motions to Instruct Conferees.**

The Daily Quote

"The U.S. House of Representatives agreed on Wednesday to give subpoena power to the commission created by President Barack Obama to investigate BP Plc's ... Gulf of Mexico oil spill. By an overwhelming vote of 420-1, the Democratic-led House passed a bill to grant the commission the power to compel witnesses to testify and produce evidence. The measure now goes to the Democratic Senate for anticipated concurrence."
