The Daily Quote

"There were no death panels in the (healthcare) bill...and to encourage that kind of fear is just the lowest form of political leadership. It's not leadership. It's demagoguery. Voters eventually will discover that you're 'preying on their fears' and turn away. I think we have a lot of leaders that are following those (television and talk radio) personalities and not leading. What it takes to lead is to say, 'You know, that's just not right.'"

- Rep. Bob Inglis (R-SC), Associated Press, 7/9/2010)
