The Daily Quote

"No illusions please: This bill will not be repealed...[H]ow many votes could we muster to re-open the "doughnut hole" and charge seniors more for prescription drugs? How many votes to re-allow insurers to rescind policies when they discover a pre-existing condition? How many votes to banish 25 year olds from their parents' insurance coverage?"

- David Frum, Former Speechwriter for President George W. Bush, 3/21/2010
