*** Possible Motions to Instruct Conferees.**

The Daily Quote

"The U.S. House of Representatives on Wednesday approved a landmark overhaul of financial regulations.... [T]he 237 to 192 vote in the House marked a win for Obama and his fellow Democrats, who have made the most sweeping rewrite of Wall Street rules since the 1930s a top priority in the wake of the 2007-2009 financial crisis."
