## The Daily Quote

"I came into the Senate in the majority, 55 senators, a large majority in the House, Bush in the White House. And Republicans didn't do what we said we were going to do. We spent too much. We borrowed too much. And, frankly, if we get the majority again, even if it's just in the House and we don't do what we say, I think the Republican Party is dead."

- Senator Jim DeMint (R-SC)
